Description of Duties:
This is an entry level professional public health nursing position involving responsibility for assessing health needs and developing a plan of care for individuals and families. This position is distinguished from the Assistant Supervising Public Health Nurse position by its responsibility for the initial implementation of nursing care plans and provision of direct nursing care. The incumbent is also responsible for periodic re-evaluation of individual and family nursing needs. This employee works under general supervision from, and reports directly to, a Supervising Public Health Nurse. Direct supervision is exercised over the work of Registered Professional Nurses and staff assigned to carry out the plans of care.

Scope of Examination:
The examination will consist of an evaluation of education (training) and experience. There will be no written, oral, or performance test. Candidates are required to complete an application form and give accurate information. Vagueness and omissions will not be resolved in your favor.

All candidates meeting the minimum qualifications will have their education and experience rated against the general background of the position.

Please prepare a summary of your training and experience for this position. Be as detailed, concrete and specific as possible; vagueness and ambiguity will not be resolved in your favor. Additional information concerning a candidate's training and experience will not be accepted after the application has been rated.

In your summary of education and training, show all relevant, certificate training course work including name and address of the institution, dates of attendance, number of hours completed, and certificates received. Show any relevant continuing education activities, such as formal degree programs, in-service education, institutes, seminars, conferences or symposiums in which you have participated, including dates of attendance, hours of training received, and certificate received, if any. Credit will be given only for training completed after initial date of licensure and also completed within the last six (6) years.

For each relevant position you have held, list the name and address of your employer, name and title of your supervisor, your title and final annual salary, the dates of your employment (including month and years), your main duties and responsibilities and your reason for leaving. You should also indicate whether the position was full or part-time and include the number of hours worked per week. Experience gained through a provisional appointment cannot be used to meet the minimum qualifications.

Note:
Submission of a resume does not relieve you of the responsibility for completing all sections of the official application. The resume is a supplement to the application, and not a substitute for it. To receive credit for a job, basic employment information such as address, name and title of supervisor, average number of hours in the workweek, final salary, reason for leaving, specific job duties, your job title, etc. must be shown.
