Description of Duties:

This is a senior-level position in the Board of Cooperative Educational Services responsible for providing communication, continuity and direction to classroom teachers, student behavioral assistants and other support personnel in support of students and situations in intensive management classrooms. Intensive management classrooms, as opposed to other special education classrooms, provide for students who have failed other services or have been referred from placements such as psychiatric or juvenile facilities. Work also involves acting in a lead capacity in applying crisis intervention techniques. The employee reports directly to and works under the general supervision of an administrative level staff member. Supervision of others is not a responsibility of this class, although the employee will be expected to function in a lead capacity.

Scope of Examination:

The **written, multiple-choice test** will cover knowledge, skills and/or abilities in such areas as:

1. Preparing written material

These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.

2. Situations and problems in supervising and counseling delinquent and/or socially maladjusted youth

These questions test for knowledge of the principles and practices of supervising and counseling delinquent and socially maladjusted youth. Questions may cover such topics as interviewing, counseling, supervising, and guiding youth with social adjustment problems; crisis intervention; handling emergencies; and working with staff, agencies, and families in supervising and guiding socially maladjusted youth.

3. Working with youth

These questions test for knowledge and understanding needed to work with youth and their problems. Questions may cover such topics as: normal and abnormal adolescent behavior and development; youth perspectives and points of view; environmental factors and effects; establishing rapport with youth.

Candidates will not be permitted to use calculators containing spell check, dictionary, language translator, address or telephone book, personal digital assistants, or typewriter keyboard features, or any similar devices.
