Description of Duties:

This is a secretarial position involving responsibility for the performance of difficult secretarial work and routine legal clerical tasks designed to assist a staff of attorneys in a law department or law office. The work is performed in accordance with general instructions regarding objectives, policies and procedures and is usually submitted in its final form. The Legal Secretary II operates a variety of office equipment in the preparation and typing of confidential legal documents including, but not limited to, the electronic work station, word and data entry equipment, and electronic transcription equipment. The employee reports directly to and works under the general supervision of an attorney, administrator or clerical supervisor. Supervision of others is not a responsibility of this class.

Scope of Examination:

The examination for this position will consist of two parts: (1) a rated written test and (2) a qualifying typing performance test. Candidates must pass **both** parts of this examination in order to receive a final passing grade for the entire examination. Your rank on the eligible list will be determined by your score on the written test only.

The **written, multiple-choice test** will cover knowledge, skills and/or abilities in such areas as:

1. Grammar/Usage/Punctuation--Level 2

The grammar and usage questions test for the ability to apply the basic rules of grammar, usage, and sentence structure. The punctuation questions test for a knowledge of the correct placement of punctuation marks in sentences. You will be presented with sets of four sentences from each of which you must choose the sentence that contains a grammatical, usage, or punctuation error.

2. Keyboarding Practices--Level 2

These questions test your knowledge of preferred practices in such areas as letter format, capitalization, hyphenation, plurals, possessives, word division, word and figure style for numbers, and common proofreading marks. In addition, you will be given a passage to proofread and asked questions about how to correct the errors in the passage.

3. Legal terminology, documents and forms

These questions test for the ability to recognize definitions of specific common legal terms or the term which fits a certain description. The questions are presented in various forms such as simple definitions, examples of terminology, and the use of this terminology within documents and forms related to the legal field.

4. Office Practices--Level 2

These questions test for a knowledge of generally agreed-upon practices governing the handling of situations which secretaries encounter in their work, as well as a knowledge of efficient and effective methods used to accomplish office tasks. The questions will cover such topics as planning work flow; setting priorities; dealing effectively with staff, visitors, and callers; filing and retrieving information; safeguarding confidentiality; using office equipment; and making procedural decisions and recommendations which contribute to a well-managed office.

5. Spelling--Level 2

These questions test for the ability to spell words that are used in written business communications.

Calculators and Reference Materials:

Most civil service written tests do not require the use of a calculator or slide rule. However, the use of calculators is **ALLOWED** for this exam. Candidates have the option of bringing a hand-held, quiet, battery or solar-powered arithmetic calculator or a slide rule to the test room. Candidates will not be permitted to use calculators containing spell check, dictionary, language translator, address or telephone book, personal digital assistants, or typewriter keyboard features, or any similar devices. You may not bring books or other reference materials.

This written examination is being prepared and rated in accordance with Section 23(2) of the Civil Service Law. The provisions of the New York State Civil Service Law, Rules and Regulations dealing with the preparation and rating of examinations, as well as establishment and certification of eligible lists for positions in the classified service will apply to this examination.

The **Qualifying Typing Performance Test** will consist of a test in accuracy and speed of typing at a minimum acceptable rate of **forty (40)** words per minute corrected. The typing test will be administered only to candidates who receive a passing score on the written test. Candidates will be notified by mail of the scheduled time and place of the typing performance test.

Please see the attached form PTW-1 for information about waiving the typing performance test.
