Description of Duties:

This is entry-level clerical work involving responsibility for the performance of routine clerical tasks. Independent judgment is restricted to the application of standard procedures to specific cases. The use of a personal computer for word processing and database entry is an integral part of this position. Duties may involve contact with the general and Spanish-speaking public. Employees receive detailed oral and/or written instructions for new, more involved or difficult assignments. The work is reviewed by immediate supervisory observation, by cross checking, or by another step in the clerical process. The employee reports directly to and works under the direct supervision of a higher-level employee.

Scope of Examination:

The examination for this position will consist of three parts: **(1) a rated written test, and (2) a Qualifying Data Base Clerk Performance Test, and (3) a Qualifying Spanish Language Oral Proficiency Test. Candidates must pass all parts of this examination in order to receive a final passing grade for the entire examination.** Your rank on the eligible list will be determined by your score on the written test only.

The **written, multiple-choice test** will cover knowledge, skills and/or abilities in such areas as:

1. Spelling

These questions are designed to test the candidate's ability to spell words that office employees might encounter in their daily work.

2. Alphabetizing

These questions are designed to test the candidate's ability to file material accurately in alphabetic order.

3. Clerical operations with letters and numbers

These questions are designed to test a candidate's visual perception and basic clerical accuracy in working with alphanumeric characters. The candidate is required to read, compare, check, reorder, and count letters and numbers following specific directions for each question. Knowledge of the alphabet and the ability to count are required.

Calculators and Reference Materials:

Most civil service written tests do not require the use of a calculator or slide rule. However, the use of calculators is **ALLOWED** for this exam. Candidates have the option of bringing a hand-held, quiet, battery or solar-powered arithmetic

calculator or a slide rule to the test room. Candidates will not be permitted to use calculators containing spell check, dictionary, language translator, address or telephone book, personal digital assistants, or typewriter keyboard features, or any similar devices. You may not bring books or other reference materials.

This written examination is being prepared and rated in accordance with Section 23(2) of the Civil Service Law. The provisions of the New York State Civil Service Law, Rules and Regulations dealing with the preparation and rating of examinations, as well as establishment and certification of eligible lists for positions in the classified service will apply to this examination.

The **Qualifying Database Clerk Performance Test** will be administered to all candidates who passed the written examination. The test will be a performance test which will require you to use a conventional personal computer (PC) with a standard keyboard to perform various clerical tasks using a pre-established database. This test will consist of three timed parts. In part one, you will be required to add, delete and update various records in the data base. In part two, you will be required to retrieve records from a database and write down selected information from the records onto printed forms. In part three, you will be asked questions on the computer screen about the information you wrote down in part two. You will enter your answers directly into the PC. Your rating (pass/fail) on this test will be based on the amount of material completed and on the accuracy of that material. Candidates will be notified of the scheduled time and place of the performance test.

The **Qualifying Spanish Language Oral Proficiency Test** will be administered at a later date to candidates who pass the written portion of this examination. This test is designed to evaluate the candidate's Spanish language oral proficiency at the level appropriate for the position(s) being filled. A **level 1** proficiency in the above language is required to pass the qualifying oral proficiency test for this title. This is equivalent to having limited oral language proficiency with unsophisticated, but understandable simple conversation.

Only sufficient number of candidates needed to fill the present vacancies will be called to take part in this qualifying portion of the examination. As additional vacancies occur, other candidates who were successful on the written and typing/database portions of the examination will be invited to take the qualifying oral test.

The language oral proficiency test will be rated on a pass-fail basis. Candidates must pass all parts of this examination in order to be eligible for a permanent appointment.

A "Guide to Taking the Written Test for the Entry Level Clerical/Steno/Typist Series" is available at the Monroe County Civil Service Office in Room 210, County Office Building, 39 West Main Street, Rochester, NY 14614. The guide is also available on the Monroe County Web Site listed at the bottom of this page or by sending a self-addressed, stamped envelope to the above address. This guide contains sample test questions similar to the question that will be used in this written test.

Candidates must record the Exam Number and Title on the Application.

Note:

Submission of a resume does not relieve you of the responsibility for completing all sections of the official application. The resume is a supplement to the application, and not a substitute for it. To receive credit for a job, basic employment information such as address, name and title of supervisor, average number of hours in the workweek, final salary, reason for leaving, specific job duties, your job title, etc. must be shown.

Eligible List:

Successful candidates will have their names placed on an eligible list for this title in order of their rating, regardless of the date on which they take the test. Candidates' scores from the different testing dates will be interfiled. The names of the successful candidates will remain on the eligible list for one (1) year to fill present and future vacancies.

Appeals Process:

No review or appeal is allowed. The questions and answers have been subjected to careful analysis. The exemption of these questions from any candidate review or appeal permits more prompt establishment of lists and earlier appointments.

Certifications and Appointments:

The eligible list resulting from this examination will be established in accordance with the final earned numerical rating of passing candidates regardless of residence. A municipality or district may exercise its right under Section 23 of the Civil Service Law to request an initial certification of eligibles who have been residents of that municipality or district for at least one (1) month on the date of certification and who are also legal residents of the appointing jurisdiction at the time of appointment, in accordance with their numerical

rating. After the names of residents have been exhausted the Commission must then certify in regular rank order the names of non-residents on the list.

Background Investigation:

Applicants may be required to undergo a State and national criminal history background investigation, which will include a fingerprint check, to determine suitability for appointment. Failure to meet the standards for the background investigation may result in disqualification.

Special Requirement for Appointment in School Districts and BOCES:
