

Department of Human Resources & Civil Service

Job Announcement Please Post Conspicuously

Maggie Brooks
County Executive

Brayton M. Connard
Director

TITLE: Associate Engineer – Pure Waters
SALARY: \$68,297 - \$87,961
LOCATION: Monroe County Department of Environmental Services

JOB SUMMARY:

This is a senior-level supervisory professional engineering position responsible for directing a major phase of the overall engineering program for the Department of Environmental Services. The work focuses on the review and approval of engineering plans and specifications, the design of wastewater treatment facilities and systems, the development of construction costs estimates and timetables, and the monitoring and inspection of construction and maintenance activities for sewage and wastewater treatment facilities and collection systems. The employee reports directly to and works under general supervision of a department section chief, with direction given on issues of department policy and priority. General supervision is exercised over a subordinate staff. Considerable independence is allowed in the exercise of judgment regarding engineering problems, the establishment of internal procedures and priorities required to accomplish assignments, and the supervision and evaluation of staff.

MINIMUM QUALIFICATIONS: Graduation from high school or possession of an equivalency diploma PLUS either:

- (A) Graduation from a regionally accredited or New York State registered college or university with a Master's degree in Construction Technology, Environmental Science, Engineering Science, Civil Engineering Technology, Mechanical Engineering Technology or a closely related field, plus five (5) years of full-time or its part-time equivalent paid professional work experience in civil, environmental, or sanitary engineering activities involving wastewater treatment, collection or pumping systems, or water distribution systems, or other utility, one (1) year of which must have involved the supervision of staff; OR,
- (B) Graduation from a regionally accredited or New York State registered college or university with a Bachelor's degree in one of the fields mentioned in (A) above, plus seven (7) years experience as defined in (A) above, one (1) year of which must have involved the supervision of staff; OR,
- (C) An equivalent combination of education and experience as defined by the limits of (A) and (B) above.

SPECIAL REQUIREMENTS: Current possession of a New York State Professional Engineer's license or possession of a Professional Engineer's license issued by a state having reciprocity with New York Professional Engineering licensure standards, and which license was obtained by written examination.

Candidates for employment with the Monroe County Government will be required to pass a Pre-Employment Background Investigation Policy. The candidate will be required to pay for the cost of fingerprinting which is \$100.00. If the candidate is hired they will be reimbursed via payroll.

Candidates for employment with Monroe County Government will be required to pass a pre-employment drug test and physical.

If you are appointed, you will be required to have a valid license to operate a motor vehicle in New York State or otherwise demonstrate your capacity to meet the transportation needs of the job.
