Work experience must be paid full-time, or its part-time equivalent. Employment dates, average number of hours worked per week, and job duties must be included.

Residency Requirement:

There is no residency requirement to participate in the examination.

Description of Duties:

This is a senior level position responsible for performing moderately complex library clerical tasks and assisting patrons with both use of the library collection and general policies/procedures of the library. Employees have prior training or experience in performing library tasks; detailed oral or written instructions are given for new or difficult assignments. Although practices and procedures are usually defined, employees must be able to exercise independent judgment in applying them to specific cases. Work is performed utilizing an on-line computer system, personal computer, calculator and typewriter. The employee reports directly to and works under the general supervision of a professional library employee. General supervision may be exercised over pages, aides, or other library personnel.

Scope of Examination:

The **written, multiple-choice test** will cover knowledge, skills and/or abilities in such areas as:

Fundamentals of working in a library

These questions are designed to evaluate the candidate's knowledge about the common terms and concepts used in various sections of a library (e.g. Circulation, Reference, Technical Processing, etc.); the procedures associated with shelving, storing, checking out and receiving library materials; and the proper methods of using equipment commonly found in a library and of handling, processing and storing library materials.

Name and number checking

These questions test for the ability to distinguish between sets of words, letters, and/or numbers that are almost exactly alike. Material is usually presented in two or three columns, and you will have to determine how the entry in the first column compares with the entry in the second column and possibly the third. You will be instructed to mark your answers according to a designated code provided in the directions.

Customer service

These questions test for knowledge of techniques used to interact with other people, to gather and present information, and to provide assistance, advice and effective customer service in a courteous and professional manner. Questions will cover such topics as understanding and responding to people with diverse needs, perspectives, personalities, and levels of familiarity with agency operations, as well as acting in a way that both serves the public and reflects well on your agency.

Supervision

These questions test for knowledge of the principles and practices employed in planning, organizing, and controlling the activities of a work unit toward predetermined objectives. The concepts covered, usually in a situational question format, include such topics as assigning and reviewing work; evaluating performance; maintaining work standards; motivating and developing subordinates; implementing procedural change; increasing efficiency; and dealing with problems of absenteeism, morale, and discipline.

Calculators and Reference Materials:

Most civil service written tests do not require the use of a calculator or slide rule. However, the use of calculators is **RECOMMENDED** for this exam. Candidates have the option of bringing a hand-held, quiet, battery or solar-powered arithmetic calculator or a slide rule to the test room. Candidates will not be permitted to use calculators containing spell check, dictionary, language translator, address or telephone book, personal digital assistants, or typewriter keyboard features, or any similar devices. You may not bring books or other reference materials.

This written examination is being prepared and rated in accordance with Section 23(2) of the Civil Service Law. The provisions of the New York State Civil Service Law, Rules and Regulations dealing with the preparation and rating of examinations, as well as establishment and certification of eligible lists for positions in the classified service will apply to this examination.

Candidates must record the Exam Number and Title on the Application.

Note:

Submission of a resume does not relieve you of the responsibility for completing all sections of the official application. The resume is a supplement to the application, and not a substitute for it. To receive credit for a job, basic employment information such as address, name and title of supervisor, average number of hours in the workweek, final salary, reason for leaving, specific job duties, your job title, etc. must be shown.

Certifications and Appointments:

The eligible list resulting from this examination will be established in accordance with the final earned numerical rating of passing candidates regardless of residence. A municipality or district may exercise its right under Section 23 of the Civil Service Law to request an initial certification of eligibles who have been residents of that municipality or district for at least one (1) month on the date of certification and who are also legal residents of the appointing jurisdiction at the time of appointment, in accordance with their numerical rating. After the names of residents have been exhausted the Commission must then certify in regular rank order the names of non-residents on the list.

Background Investigation:

Applicants may be required to undergo a State and national criminal history background investigation, which will include a fingerprint check, to determine suitability for appointment. Failure to meet the standards for the background investigation may result in disqualification.

Special Requirement for Appointment in School Districts and BOCES:

Per Chapter 180 of the Laws of 2000, and by Regulations of the Commissioner of Education, to be employed in a position designated by a school district or BOCES as involving direct contact with students, a clearance for employment from the State Education Department is required.

A candidate claiming such credit must provide the necessary documentation to verify additional credit eligibility within thirty (30) days of the examination date.
