                              **(Provisional\* Appointment)**

**SALARY:**             \$61,871 - \$83,840 annually

**LOCATION:**           Monroe Community Hospital

**JOB SUMMARY:**

This is a professional nursing position, located at Monroe Community Hospital, responsible for the development and implementation of procedures for infection control. Duties involve monitoring hospital procedures to isolate and control incidences of infection, and correcting and instructing medical and services staff in the prevention and avoidance of sources of infection. The employee reports directly to, and works under the general supervision of the Nursing Administrator or other higher-level staff member with wide latitude allowed for independent judgment and decision making. Does related work as required.

**MINIMUM QUALIFICATIONS:**

Graduation from a regionally accredited or New York State registered college or university with a Bachelor's or Associate's degree in Nursing plus four (4) years paid full time or its part time equivalent experience in professional nursing or epidemiology, six (6) months of which must have been in infection control.

**SPECIAL REQUIREMENTS:**

Possession of a valid New York State Registered Nurse (RN) License.

This position is subject to a background check for criminal convictions. Convictions will be considered but will not automatically disqualify the candidate. No criminal background check will occur until after a conditional offer of employment has been made, unless required prior to a conditional offer because of the nature of the position or otherwise required by law.

Candidates for employment with Monroe County Government will be required to pass a pre-employment drug test. Failure to meet the standards may result in disqualification.

If you are appointed, you will be required to possess a valid license to operate a motor vehicle in New York State or otherwise demonstrate your capacity to meet the transportation needs of the position.
