Director

**TITLE: SENIOR PUBLIC HEALTH SANITARIAN
(Provisional* Appointment)**

SALARY: \$45,146 - \$57,257 annually

LOCATION: Monroe County Department of Public Health

JOB SUMMARY:

This is a senior level professional position responsible for performing complex and difficult environmental health and sanitary activities. Employees assist in planning, directing, and implementing all aspects of the Department's environmental health program as applied to camps, lead poisoning prevention, housing and rabies, West Nile Virus, smoking code enforcement, food service establishments, water and sewage systems. This classification differs from the lower, Public Health Sanitarian, by virtue of its responsibility for participating in higher level activities such as the enforcement of environmental health laws, codes, and local ordinances. The employee reports directly to, and works under the general supervision of, Associate Public Health Sanitarians and/or Senior and Associate Public Health Engineers. General supervision may be exercised over Public Health Sanitarians and other departmental personnel. Does related work as required.

MINIMUM QUALIFICATIONS:

Graduation from a regionally accredited or New York State registered college or university with a Bachelor's degree, with thirty (30) college semester credit hours** in the natural sciences***, of which not more than twelve (12) credit hours may be in the applied sciences****, plus EITHER:

- (A) Two (2) years of paid full-time or its part-time equivalent experience as a Public Health Sanitarian plus successful completion of the Basic Environmental Health Course (public health training course)***** approved by the New York State Department of Health; OR,
- (B) Four (4) years of paid full-time or its part-time equivalent experience in the performance of environmental health and sanitation activities, two (2) years of which must have been independently performing environmental health and sanitation activities in a New York State health agency, plus successful completion of the Basic Environmental Health Course (public health training course)***** approved by the New York State Department of Health.

**A student or official transcript is required at time of application.

***The term natural science shall mean a science such as biology, chemistry or physics that deals with the objects, phenomena, or laws of nature and the physical world. It shall include all physical and biological sciences.

****The term applied science shall mean science-based courses in environmental technology, sanitation technology, medical technology, public health, infection control or food science.

*****Proof of successful completion of a training course must be submitted at the time of application for candidates qualifying under (A) and (B) above.

SPECIAL REQUIREMENTS:

Candidates for employment with Monroe County Government will be required to pass a pre-employment drug test, along with a background investigation. Failure to meet the standards may result in disqualification.

If you are appointed, you will be required to possess a valid license to operate a motor vehicle in New York State or otherwise demonstrate your capacity to meet the transportation needs of the position.
